171.01 DECLARATION OF POLICY

Public office demands the highest respect of the public and consequently there is an incumbent duty upon all public officials and employees to fulfill that trust.

The operation of democratic government requires that public officials and employees be independent, impartial and responsible to the people; that government decisions and policy be made in the proper channels of governmental structure; that public office not be used for personal gain; and that the public have confidence in the integrity of its government. In recognition of these goals, there is hereby established a Code of Ethics for all officials and employees whether elected or appointed, paid or unpaid, and a Board of Ethics to administer the Code and further its objectives. The purpose of this Code is to establish ethical standards of conduct for all such officials and employees of the City, its agencies and authorities, whether elected or appointed, by setting forth those acts or actions which are incompatible with the best interests of the City and by directing disclosure by officials and employees of private, financial or other interests in matters affecting the City. The provisions and purpose of this Code and such rules, regulations and opinions as may be promulgated by the Board pursuant hereto are hereby declared to be in the best interest of the City. (11821 9/1/70)

For purposes of this Code of Ethics, the following definitions shall apply:

Words in the singular number shall include the plural number, and words in the plural number shall include the singular number. The masculine gender shall include the feminine, and the feminine gender shall include the masculine. Wherever the word "he" appears read "he or she". (13137 7/1/92)

171.02 CONFLICT OF INTEREST

No official or employee, whether paid or unpaid, shall engage in any business or transaction or shall have any financial or other private interest, direct or indirect, which is incompatible with the proper discharge of his official duties in the public interest or which would impair his independence of judgment or action in the performance of his official duties unless full disclosure is made in writing to the Board of Ethics. Such disclosure shall be a public record. (11821 9/1/70)

The following conflicts of interest are expressly prohibited whether or not disclosed:

A. Business or Professional Conflict

No official or employee shall participate in any decision-making process affecting himself or any entity in which such official or employee or associate of either of them is a director, official, or partner or in which such official or employee has a financial interest in excess of five (5%) percent, but such official or employee shall not be precluded from participating in any decision-making process where the matter involved affects the general populace or a large segment of the community. (11821 9/1/70)

No City official or employee shall discuss, vote on, decide or take part in, formally or informally, any matter proposed or pending before any agency or other City official or employee in which he has a pecuniary interest. This provision shall not apply to any City official or employee whose interest in the proposed or pending matter is minimal, provided that these procedures are followed strictly: (13137 7/1/92)

1. The City official or employee shall identify his interest, that is, the benefit or advantage that would be gained or lost if the City acts on the matter in various ways, and the underlying basis of it, such as ownership, an investment, a contract or claim, employment, or a relationship, if any. (13137 7/1/92)

2. The City official or employee shall completely and specifically describe and disclose his interest and its underlying basis, if any, in writing to his immediate superior and the chairperson of the Board of Ethics, in advance of his participation in the matter. (13137 7/1/92)

3. If either the City official or employee, or his immediate superior, or the chairperson of the Board of Ethics thinks that the disclosure reasonably raises a question whether the interest is minimal, the question shall be submitted to the Board of Ethics for an opinion, prior to which the official or employee shall not participate in the matter. (13137 7/1/92)

Failure to disclose properly, or abide by the opinion of the Board of Ethics, shall make any participation of the official or employee in the matter null and void and may also subject the official or employee to appropriate disciplinary action. (13137 7/1/92)

No City official or employee shall own in person or through an agent or broker, or be a principal in any corporation, partnership or other business entity which owns, any real property within the City of Allentown that is in violation of City or state laws or regulations. (13137 7/1/92)

No City official or employee shall have or enter into any contract with the City which would result in personal gain unless:

1. The contract between the person and the City is awarded pursuant to the competitive bidding procedures of the General Municipal Law; or (13137 7/1/92)

2. The contract between the person and the City is one with respect to which the City official or employee (a) has no interest, (b) has no duties or responsibilities, or, if the contract with the person is one which the City official or employee entered into prior to becoming a City official or employee, he abstains from any performance of duties or responsibilities, and (c) exercises or attempts to exercise no influence. (13137 7/1/92)

B. Confidential Information

No official or employee shall without proper authorization disclose confidential information concerning the property, government or affairs of the City, including confidential information gained in the discharge of his official duties relating to any private person, firm, corporation or association. Nor shall he use such information to advance the financial or other private interest of himself or others. (11821 9/1/70)

C. Gifts and Favors

No official or employee or associate of either of them shall accept any valuable gift, whether in the form of service, loan, thing, or promise, from any person, firm, corporation or association which to his knowledge is interested, directly or indirectly, in any manner whatsoever, in business dealings with the City; nor shall such official or employee or associate of either of them accept any gift, regardless of value, favor or thing of value that may tend to influence him in the discharge of his duties or grant in the discharge of his duties any improper favor, service or things. (11821 9/1/70)

D. Use of Public Property

No official or employee shall request or permit the use of City-owned vehicles, equipment, materials, services or property for the convenience or profit of himself or any associate except when such are available to the public generally or are provided as municipal policy for the use of such official or employee in the conduct of official business. (11821 9/1/70)

E. Representing Private Interests

No official or employee whose salary is paid in full or in part by the City shall appear on behalf of private interests before any agency of the City. He shall not represent private interests in any action or proceeding against the interests of the City in any litigation to which the City is a party. An elected official or employee may appear before agencies on behalf of constituents in the course of his duties as a representative of the electorate or in performance of public or civic obligations. However, no compensation, remuneration or gift of any kind whatsoever shall be accepted for such activity. (11821 9/1/70)

No City official or employee who serves the City without compensation shall represent any person before the agency he serves, or before any other City official or employee who regularly serves the agency he serves, or before any other agency on matters directly involving the agency he serves. (13137 7/1/92)

No former City official or employee shall at any time after he leaves the agency he served represent a person before any agency on a specific matter with which he was directly involved or of which he has special knowledge, if the representation would be adverse to the position of the City on the matter. (13137 7/1/92)

F. Favoritism

No City official or employee, acting in the performance of his official duties, shall treat, whether by action or omission to act, any person more favorably than it is the custom and practice to treat any member of the general public. (13137 7/1/92)

No official or employee shall use, nor allow others to use, the authority, title or prestige of public office for the attainment of private financial, social or political benefits in any manner that is inconsistent with public interests. (13137 7/1/92)

A. Use for Commercial Purposes

No official or employee shall permit their names or official titles to be used by a non-public enterprise in any manner which would lead reasonable observers to believe that those who deal with the enterprise may receive special treatment or advantages as a result of a formal association with the official or employee. (13137 7/1/92)

B. Use for Public Advantage

No official or employee shall use official letterhead or refer to their public position as a means of inducing or intimidating persons to resolve disputes more favorably, provide preferential treatment, or give free tickets, discounts, favors or other advantages. (13137 7/1/92)

171.05 INTERVENING ON BEHALF OF CONSTITUENTS AND FRIENDS

Public officials shall be cautious about directly or indirectly intervening with normal decision making, investigatory or adjudicative processes of governmental bodies on behalf of constituents or friends because such intervention can threaten the ability of government administrators to exercise independent objective judgment on the merits. (13137 7/1/92)

A. General Rule

Intervention on behalf of constituents or friends is proper only if it is strictly limited to assuring fairness and equity of treatment of the procedures and the intervener consciously avoids seeking to unduly influence the decision-making process. Those who intervene should firmly, explicitly and unambiguously convey their limited purposes to reduce the possibility of direct or indirect pressure on administrators which could reasonably appear to influence the substantive decision. (13137 7/1/92)

B. Sharing of Compensation

No person rendering professional services to the City shall, in any form or guise, share or agree to share the compensation received by him for such services with any City employee. Nor shall any City employee share or agree to share in the compensation received from the City by any other person for rendering professional services to the City. (12180 4/7/76)

A "person" for purposes of this section shall be a natural person, partnership, or a corporation. (12180 4/7/76)

Notwithstanding anything contained herein to the contrary, this section shall not prohibit a general partner in a professional partnership from sharing or agreeing to share his compensation with other general partners in the partnership; nor shall the other general partners in the partnership be prohibited from sharing in any such compensation. (12180 4/7/76; 13137 7/1/92; 13742 §1 3/18/99)

All officials, department directors, bureau heads and such other employees of the City as the Board of Ethics, Mayor or City Clerk may enumerate shall indicate any offices or employment in such businesses or any financial interest in such businesses which he or any associate of his may have and the amount of such interest. (11821 9/1/70; 13137 7/1/92)

- C. Specific Powers and Duties.

- (1) Recordkeeping, Cataloging, and Maintenance
 - (i) The Committee has the responsibility to document, maintain and conserve, and when appropriate, restore works of Public Art. By this Ordinance, stewardship of the Public Art collection is a mandate of the Allentown Public Art Committee. The Committee shall protect the value, integrity and authenticity of the work, by raising the necessary funds to return the collection to its original condition, and then provide for the prescribed annual maintenance. The Committee shall ensure that there is appropriate recordkeeping of maintenance and cataloging of the artwork.
 - (ii) The Committee and the Allentown Arts Commission shall be familiar with and comply with the Visual Artist's Rights Act of 1990, 17 U.S.C. § 106A, as amended.

(iii) Public Art can be affected by exposure to light (natural and artificial), wind, air-borne dust, temperature and humidity changes, vibration, precipitation and other conditions. On occasion, Public Art may also suffer physical damage as a result of accident or vandalism. Without long-term maintenance, the Public Art risks serious degradation as the collection ages. The overall policy of the Committee is to preserve as much of the Public Art collection as possible in the current locations of the various works. This typically means repairing and restoring as many works as available resources allow. The general order of priority is to repair and restore the works that have sustained serious damage and degradation first.

(iv) Maintenance and conservation are to be carried out only by qualified consultants. During planning for Public Art projects, maintenance issues will be identified and addressed regarding the use of materials, fabrication techniques, structural engineering, foundation and site design, and any other considerations related to longevity and durability.

(v) The conservation effort includes condition assessment reports for the collection, integrated into a database, maintained by the City of Allentown that is updated periodically and reviewed at least yearly by the Committee. In its joint report with the Allentown Arts Commission, the Committee shall report on the overall condition of the Public Art collection in their annual report to City Council pursuant to Section 180.11

(2) Artist Selection for Commissioned Artwork

The following methods of selection described in these guidelines may be used to select an artist or artists for projects. Curators or other organizations may be used to assist the Committee in acquiring appropriate artist services or works of art.

(i) Open Competition – An open call for artists to compete for commission or purchase for a work of art. There are no restrictions, other than the medium or the style.

(ii) Open/Invitational – An open call for artists that includes the possibility that certain, appropriate artists may receive invitations to compete. From this group, an artist(s) would be selected.

(iii) Invitational – An invitation to certain, identified, appropriate artists to submit materials for consideration on a project. From this group, an artist(s) would be selected.

(iv) Direct Selection – This is a direct identification of a specific artist (or artists such as a team) who has been identified by the Committee as being capable of providing the requirements of the project as defined in the prospectus. With direct selection, the artist is providing sole source services. Direct selection may also be utilized in the acquisition of an existing, specific, work of art. Direct selection is only possible when it is determined that a site would be best served by commissioning artist(s) with specific backgrounds or qualifications or when there is a recognized time constraint to complete the project.

(v) Selection of a curator, organization, or project jury panel – For certain projects, the Committee may identify other entities or individuals to assist in development of the project.

(3) Development of the prospectus for the Public Art project

(i) The Committee shall develop project criteria such as site, theme, media, scale, method of artist or work of art selection, residency of eligible artists, determination of the selection process, and other appropriate parameters. The prospectus may take different forms, including but not limited to Request for Proposal (RFP), Request for Qualifications (RFQ), or a hybrid RFP/RFQ. A project evaluation criteria matrix will be established and used for rating the proposals.

(ii) The Committee shall present the prospectus to the Allentown Arts Commission for approval.

(iii) Upon acceptance by the Allentown Arts Commission, the prospectus will be forwarded to the Mayor.

(iv) Upon approval by the Mayor, the prospectus will be made available publically through various venues and in multiple formats, i.e. digitally, electronically, and in hard copy.

(v) Selection of artists or artwork may be made on evaluation of any or all of the following elements: Digital images of previous work; photographs; resumes; narrative or visual proposals; interviews, maquettes, or other appropriate materials. The artist selection process will be open to all artists regardless of race, color, creed, gender, gender variance, national origin, age, religion, marital status, political opinion or affiliation or mental or physical handicap. Beyond this, artists will be sought who work in all media, materials, and who have varying levels of experience.

(vi) The following are typical materials used in the selection of art: site plan showing location of proposed Public Art; minimum 1/4" scale drawings of the art concept or the art component, including at least one elevation; context drawings; material/color samples; model (optional); written proposal including the following information: a description and summary of final design proposal for the proposed Public Art; detailed maintenance requirements; a schedule for development, fabrication, completion; Artist resume/background; and evidence of assumption of liability by applicant or designee. Additional requirements may be requested by the selection committee. The selection process will be an open, fair and transparent competitive process.

(4) Artist Registry

The Committee shall establish an artist registry established for future commissions of Public Art in the City of Allentown.

(5) Art Donation Procedure

The Public Art Committee shall review requests to make donations of Public Art. Responsible ownership of Public Art requires a commitment of resources to conserve and protect it. With limited City resources for maintenance, the Committee will accept donations of Public Art only if a plan has been made for the costs of installation, and the conservation and maintenance of the Public Art for the expected life of the Public Art.

(i) Criteria used for review of requests to make donations of Public Art are: relationship to other existing Public Art in the vicinity, or future proposed Public Art; constructability of proposed Public Art, and requirements regarding access to the site and accessibility to the site, including the federal Americans with Disabilities Act of 1990, as amended; artist's credentials and recognition; durability and craftsmanship in fabrication and production quality; appropriateness of Public Art location; appropriateness of Public Art scale to the proposed site; appropriateness of Public Art to other aspects of its surroundings; maintenance and conservation plan; and any applicable neighborhood design guidelines.

(6) Project and Site Selection

(i) The Committee, with approval from the Allentown Arts Commission, shall identify suitable locations for Public Art. The criteria for selecting locations include: the durability of materials used by the artist; the nature, size and configuration of the Public Art; configurations, intended uses and risk factors of various available locations; and aesthetic considerations

(ii) The City staff persons who are members of the Arts Commission shall present the Commission's selected site to the City Departments. When the Public Art is to be placed in property owned by or under the use and control of the City Right specific City staff from appropriate departments shall be invited to participate in Committee meetings to arrange for the installations.

(iii) Public Art shall be sited where it can best be appreciated and experienced by the site users or residents of the neighborhood in which it is situated.

(iv) The *ex officio* members of the Committee who are City staff persons shall endeavor to maintain a list of suitable locations for Public Art, updated from time to time and made available to the Committee on a regular basis.

(7) De-accession and Relocation of Artwork

(i) De-accession is the removal of an artwork from the permanent Public Art collection. Because disposal of artwork is generally irrevocable, de-accession shall be a deliberate procedure.

(ii) Reasons for de-accession of Public Art include but are not limited to: the condition or security of the artwork cannot be reasonably guaranteed; the Public Art requires extensive maintenance or has faults of design or workmanship and repair or remedy is unfeasible or impractical; the Public Art has been damaged or has deteriorated beyond the point where repair is practical or feasible; the Public Art endangers public safety; significant changes in the use, character or design of the site have occurred, which affect the integrity of the Public Art; extreme adverse public reaction over an extensive period of time; the quality of the Public Art is called into question; the Committee desires to replace the Public Art with a more appropriate work by the same artist; or written request from the artist has been received stating the artist requests removal or return or extensive repair of the Public Art

(iii) Relocation is the movement of a work of Public Art to a more suitable site because of changes to, or sale of, City property where the work is sited, or the original site is deemed unsuitable.

(iv) Reasons for relocation of artwork include but are not limited to: the Public Art endangers public safety in its current location; significant changes in the ownership, use, character or design of the site have occurred, which affect the integrity of the Public Art; a written request from the artist has been received; or a more appropriate site for the Public Art is determined

(v) The City of Allentown's Public Art collection shall be periodically reviewed by the Committee, with a joint report (in addition to yearly report) from the Committee and the Allentown Arts Commission to Allentown City Council. In the event that circumstances warrant, a written request may be submitted to the Committee for review for de-accession or relocation or disposal of a work of art.

(vi) A recommendation addressing the concerns which prompted the request for de-accession or relocation shall be reviewed by the Committee, with a decision forwarded to the Allentown Arts Commission. Should the Allentown Arts Commission's decision be unsatisfactory to the requesting party, the Allentown Arts Commission shall convene a competent independent third party to review the Committee's recommendation regarding the artwork.

(vii) The following courses of action in order of priority may be followed if a work of Public Art must be removed from the City's collection: relocate the Public Art; sell or trade the Public Art; offer the artist(s) the opportunity to buy back the Public Art at the current appraised value, with the cost of the appraisal to be borne by the artist; advertise the sale of the Public Art by auction or other public sale; dispose of the Public Art or remainder of the Public Art in an appropriate and practical way when other options have not resulted in the disposal of work

(viii) Disposal of any means of any Public Art shall conform to legal requirements. Proceeds from the sale of any Public Art must be used in the maintenance, repair, or preferably, for the purchase of new Public Art.

SECTION 180.08

H. COMMONWEALTH LICENSE

When the respondent is a licensee of the Commonwealth of Pennsylvania, the Commission shall inform the appropriate State licensing authority of the order with the request that the licensing-authority take such action as it deems appropriate against such licensee.

I. COMPLAINT DISMISSAL

If, upon all the evidence, the Commission shall find that a respondent has not engaged in any such unlawful discriminatory practice, the Commission shall state its findings of fact, and shall issue and cause to be served on the complainant an order dismissing the said complaint as to such respondent.

J. RULES AND RECORDS OF HEARING

The Commission shall establish rules of practice to govern, expedite and effectuate the foregoing procedure and its own actions thereunder. One or more members of the Commission or a hearing examiner designated by the Commission shall

constitute the Commission for any hearing required to be held by the Commission under this act. The recommended findings, conclusions and order made by said members or hearing examiner shall be reviewed and approved or reversed by the Commission before such order may be served upon the parties to the complaint. The recommended findings, conclusions and order made by said member(s) or hearing examiner shall become a part of the permanent record of the proceeding and shall accompany any order served upon the parties to the complaint. If any clause, sentence, paragraph or part of this act, or the application thereof, to any person or circumstance, shall, for any reason be adjudged by a court of competent jurisdiction to be invalid, such judgment shall not affect, impair or invalidate the remainder of this act nor the application of such clause, sentence, paragraph or part to other persons or circumstances, but shall be confined in its operation to the clause, sentence, paragraph or part thereof and to the persons or circumstances directly involved in the controversy in which such judgment shall have been rendered. It is hereby declared to be the legislative intent that this act would have been adopted had such provisions not been included or such persons or circumstances been expressly excluded from their coverage.

181.99 ENFORCEMENT, JUDICIAL REVIEW AND PENALTY

A. Injunction

If the Commission concludes, at any time following the filing of a complaint under this Act, that prompt judicial action is necessary to prevent immediate and irreparable harm, the Commission may commence an action in court of common pleas, and that court may grant an appropriate preliminary or special injunction pending final disposition of the complaint. Any such order or relief shall be granted in accordance with Pennsylvania Rules of Civil Procedure Section 1531.

B. Enforcement

The complainant, or the Commission may secure enforcement of the order of the Commission. When the Commission has heard and decided any complaint brought before it, enforcement of its order shall be initiated by the filing of a petition in court, together with a transcript of the record of the hearing before the Commission, and issuance and service of a copy of said petition. (15617 §1 07/15/20)

The Commission's copy of the testimony shall be available at all reasonable times to all parties for examination without cost, and for the purpose of enforcement or judicial review of the order.

Any failure to obey an order of the court may be punishable by such court as contempt thereof.

C. Enforcement by Private Person

1. In cases involving a claim of discrimination, if a complainant invokes the procedures set forth in this act, that individual's right of action in the courts of the Commonwealth shall not be foreclosed. If within one (1) year after the filing of a complaint with the Commission, the Commission dismisses the complaint or for whatever reason, closes the complainant's case, or has not entered into a conciliation agreement to which the complainant is a party, the Commission must so notify the complainant. On receipt of such a notice the complainant shall be able to bring an action in the courts of common pleas of the Commonwealth based on the right to freedom from discrimination granted by this act. (13964 §1 4/4/02)

2. An action under this subsection shall be filed within two years after the date of notice from the Commission closing the complaint. Any complaint so filed shall be served on the Commission at the time the complaint is filed in court. The Commission shall notify the complainant of this requirement.

3. If the court finds that the respondent has engaged in or is engaging in an unlawful discriminatory practice charged in the complaint, the court shall enjoin the respondent from engaging in such unlawful discriminatory practice and order affirmative action which may include, but is not limited to, reinstatement or hiring of employees, granting of back pay, or any other legal or equitable relief as the court deems appropriate. Back pay liability shall not accrue from a date more than three years prior to the filing of a complaint charging violations of this act.

4. The court shall serve upon the Commission any final order issued in any action brought under this subsection.

5.a. If, after a trial held pursuant to subsection (c), the court of common pleas finds that a defendant engaged in or is engaging in any unlawful discriminatory practice as defined in this act, the court may award attorney's fees and costs as provided under the Pennsylvania Human Relations Act, to the prevailing plaintiff.

b. If, after a trial held pursuant to subsection (c), the court of common pleas finds that a defendant has not engaged in or is not engaging in any unlawful discriminatory practice as defined in this act, the court may award attorney's fees and costs to the prevailing defendant if the defendant proves that the complaint was brought in bad faith.

D. Penalties

Any person who shall willfully resist, prevent, impede or interfere with the Commission, its members, agents or agencies in the performance of duties pursuant to this act, or shall willfully violate an order of the Commission, shall be guilty of a misdemeanor and, upon conviction thereof, shall be sentenced to pay a fine of not more than six hundred dollars (\$600.00), or to undergo imprisonment not exceeding thirty (30) days, or both, in the discretion of the court, but procedure for the review of an order shall not be deemed to be such willful conduct.

The provisions of this act shall be construed liberally for the accomplishment of the purposes thereof, and any law inconsistent with any provisions hereof shall not apply.

E. Except as otherwise provided, any order of the Commission may be reviewed under the provisions of the Act of December 2, 1968, P.L. 1133 (53 P.S. §11300) known as the "Local Agency Law", as amended. (15617 §1 07/15/20)

F. Where a provision of this Ordinance is found to be in conflict with a provision of any other Ordinance of the City, or in any regulation issued under the authority of such Ordinance, the provisions which establish the higher standard for the protection of health, safety and welfare shall prevail. The Commission, acting with the advice of legal counsel, shall make the determination on all ordinance conflicts related to this Chapter. (15617 §1 07/15/20)
